MEETING MERRIMACK COUNTY DELEGATION,
February 11, 1903.

Harris, of Boscawen; E. J. Hill and W. J. Ahern, of Concord, who reported as follows:

CONCORD, N. H., January 28, 1903.

An estimate of the appropriations needed for the years 1904 and 1905 was submitted by the commissioners and considered by the committee, and on motion of E. J. Hill, of Concord, the several amounts submitted were unanimously accepted and approved by said committee, who desire to report that the estimated appropriations seem to be fully warranted by existing conditions, and recommend their adoption.

A. G. HARRIS,
for the committee.

The chairman introduced the following resolution, which was unanimously adopted by the convention :

WHEREAS, At a meeting of the county convention held March 4, 1902, a majority of a committee recommended the appropriation of a sum not exceeding thirty thousand dollars, including the money received from insurance, to build and furnish a new almshouse at North Boscawen, and it was voted by the convention "that the report of the majority be accepted and the recommendations be adopted" ; and

WHEREAS, At said meeting it was voted in substance that the county commissioners and county treasurer were authorized to issue bonds of Merrimack county to the amount of twenty thousand dollars, "to provide for the payment of the indebtedness of the county" ; and

WHEREAS, The notice calling such meetings did not give any notice of the issue of bonds or the borrowing of money ; and

WHEREAS, It is not entirely clear that the bonds were to be issued for indebtedness incurred by the county in building said almshouse, and it is deemed advisable to ratify the actions of the county convention at said meetings,

Now be it resolved, That the action of said county convention in authorizing the building of said almshouse and the issuing of said bonds as aforesaid, be, and it hereby is, ratified and confirmed, and it is declared that said bonds are issued for the purpose of paying the indebtedness of the county incurred for the building of said almshouse; and

WHEREAS, Twenty thousand of said bonds recite that they were duly authorized by the county convention of March 4, 1902, whereas in fact there is a question as to whether they were duly authorized; and twelve thousand of said bonds recite that they were duly authorized by the county convention of March 4, 1902, whereas in fact they were authorized, if legally authorized, by the county convention of June 4, 1902, and it is inconvenient to change the form of said bonds; now it is

Voted, That said bonds be, and they hereby are, declared to be valid obligations of the county of Merrimack.

The matter of county care of prisoners was brought up, and on motion, voted that it be laid on the table.

On motion, voted that the county commissioners be instructed to arrange for the county delegation to visit the county farm Friday, February 20, 1903.

COMMISSIONERS' REPORT.

To the Citizens of Merrimack County:

The Commissioners of Merrimack County herewith submit the annual report of county commissioners, treasurer, superintendent of the farm and house of correction, clerk of the supreme court, sheriff, jailer, solicitor, farm physician and auditors for the year ending December 31, 1903.

FARM.

The new almshouse, completed and occupied in February, 1903, was built and furnished within the appropriation. There is now more stock at the farm than at any previous time in its history. There are forty-one cows, seven horses, one hundred hogs, shoats and pigs, one bull and two calves. It will become necessary to enlarge the barn or build a new one in the near future, if the products of the farm continue to increase as in the past three years. We were compelled last spring to press forty tons of hay and fodder in order to house the coming crops. If we had sufficient room for a larger number of stock, by the use of more fodder, we could gain larger returns from the land.

Dr. F. A. Bakeman, of Franklin, has satisfactorily administered to the wants of the afflicted at the farm the past year.

The expenses of caring for the poor outside the farm is growing rapidly, and it is becoming an important question how best to care for them. Many absolutely refuse to go

to the farm. Although we know that they are not so comfortable in their homes, still we try to do the best possible for them under the conditions. We wish to thank the overseers of the poor in the several cities and towns for their hearty coöperation with us in caring for the poor in their respective localities.

CHILDREN.

How best to care for the children who come under our charge is a serious problem. The number is rapidly increasing every year. At present we have placed some at the orphanages at Franklin and Manchester, and quite a number are supported in the county in private families. There should be something done, some systematic arrangement, whereby they could receive closer attention from the commissioners.

LAUNDRY.

A new laundry has been placed in the boiler-house over the boilers, at a cost of one thousand dollars ($1,000). By its present location, the expense of a new building, which would probably have been about a thousand dollars, was saved. It is a first-class laundry in every respect, and a decided improvement on the method of work by hand.

We are very grateful to the ladies of the Franklin Woman's Christian Temperance Union for their many kind attentions to the inmates at the farm, and especially for the beautiful Christmas entertainment which they furnished.

JAIL.

The old jail has been thoroughly cleaned and whitewashed, all the old water-closets torn down and replaced by new and improved ones, at a cost of $322.94, and

everything now is in first-class condition. The new jail has been furnished with new mattresses, blankets, sheets and pillows, and is second to none in the state.

It was a sad blow to Merrimack county as well as to the county commissioners, to receive the sad news of the death of our late superintendent, Fred M. Eaton, who died March 17 at the farm.

It can truly be said of him that he died in the harness. When the final call came to him he was at his desk in the office, attending to county business. A trusty, faithful, truthful, honest servant. We extend our sincere sympathy to his bereaved widow.

We were fortunate in securing the services of Will H. Milton and wife to fill the vacancy. We feel they are filling the position in a creditable manner.

EXPENSE OF MAINTENANCE.

Amount of orders drawn against the farm for 1903, was		$21,692.43
Take from this amount the amount sold from the farm and due the farm,	$4,506.56	
Increase in inventory,	3,022.58	
		7,529.14
Balance against the farm,		$14,163.29
Number of weeks support furnished,		8,053.00
Cost of supporting the inmates and prisoners has been per week,		$1.76

The report of the farm inventory shows an increase from last year. For an accurate account of produce raised on the farm we call your attention to the report of the superintendent of farm.

It will be seen that the indebtedness has been decreased $9,836.20 as shown by report below, and were it not for the Greenleaf trials, which cost $6,526.94, the decrease of the indebtedness would be $16,363.14.

DANIEL W. SULLIVAN,

CONCORD, N. H., January, 1904.

We have examined the foregoing accounts of Philip C. Clough, county treasurer, and find them correctly cast and duly vouched.

D. W. SULLIVAN,
FRENCH NELSON,
CHARLES P. MORSE,

County Commissioners.

AUDITORS' REPORT.

The auditors of the County of Merrimack report that they have audited quarterly the accounts of the county commissioners, county treasurer and superintendent of the county farm, and believe that all purchases have been made at reasonable prices, and have been used for county purposes.

On December 31, 1903, they found taxes due from the following towns :

Dunbarton,	$410.75
Hill,	611.02
Webster,	976.50

They recommend that the county commissioners' system of annual settlements in the month of February with the overseers of the poor be changed to quarterly settlements, so that the expenditures for the current year may appear in their annual report.

The county commissioners' statement of outstanding bills against the county December 31, 1903, is herewith appended.

W. J. AHERN,
G. A. CURTICE,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1904, to the best of our knowledge and belief, does not exceed five hundred dollars, aside from the amount due cities and towns for support of paupers away from the farm, and for the support of dependent soldiers and sailors and their families.

D. W. SULLIVAN,
FRENCH NELSON,
CHARLES P. MORSE,
County Commissioners.

MERRIMACK ss., January 15, 1904.

Personally appeared D. W. Sullivan, French Nelson and Charles P. Morse, and made oath to the above statement.

G. A. CURTICE,
Justice of the Peace.

REPORT OF CHAPLAIN.

FRANKLIN, N. H., January 1, 1904.

To Merrimack County Commissioners:

GENTLEMEN,—I respectfully submit the following report of my services as chaplain of the county farm for the year 1903:

I have conducted twenty-four Sabbath services, nine funeral services, and visited the inmates at different times to perform the offices of my profession.

It is difficult to estimate results, but I have tried to make my services as chaplain encouraging to the unfortunates, comforting to the sick and suffering, and profitable to the wayward.

The large number of prisoners to whom I have spoken in Sabbath ministry and personal visitation, have received my words respectfully without an exception, and some have assured me of encouragement in purposing to lead better lives.

Other inmates have shown a marked interest in the services, and the sick and aged have gratefully received the offices of religion.

Those of the Catholic faith whom I have visited as one sympathizing with their misfortunes and interested in their welfare, have received me as a friend, if not as a pastor. They are visited occasionally by a clergyman of their church whose visits are a comfort to them.

The officers of the farm have usually assisted in the services by singing; they have constantly encouraged me by their attendance, and by a willingness to aid me in every way.

The superintendent and matron have shown me every courtesy, and rendered me all possible assistance in the discharge of my duties. By their unfailing sympathy and kindness to the inmates they have given much comfort and encouragement.

In conclusion I tender thanks to the commissioners, superintendent, matron, and officers of the farm for courtesy and assistance.

L. W. PHILLIPS,
Chaplain.

Respectfully submitted,

PHILIP C. CLOUGH,

County Treasurer.

CONCORD, N. H., January, 1905.

We have examined the foregoing accounts of Philip C. Clough, county treasurer, and find them correctly cast and properly vouched.

D. W. SULLIVAN,
FRENCH NELSON,
CHARLES P. MORSE,
County Commissioners.

AUDITORS' REPORPT.

We hereby certify that we have audited quarterly the accounts of the county commissioners, county treasurer and superintendent of the county farm for the year 1905, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices, and have been used for county purposes.

W. J. AHERN,
G. A. CURTICE,
Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1905, to the best of our knowledge and belief, does not exceed five hundred dollars, aside from the amount due cities and towns for support of paupers away from the farm, and for the support of dependent soldiers and sailors and their families.

D. W. SULLIVAN,
FRENCH NELSON,
CHARLES P. MORSE,
County Commissioners.

MERRIMACK, SS., January 5, 1905.

Personally appeared D. W. Sullivan, French Nelson and Charles P. Morse, and made oath to the above statement.

G. A. CURTICE,
Justice of the Peace.

REPORT OF CHAPLAIN.

FRANKLIN, N. H., January 1, 1905.

To Merrimack County Commissioners:

GENTLEMEN.—I respectfully submit the following report of my services as chaplain of the county farm for the year 1904.

I have conducted 20 Sabbath services, 13 funeral services and visited the inmates as a pastor at different times.

I have tried to make my personal visits helpful and encouraging and the religious services comforting and profitable to the inmates.

The superintendent, matron and all officers of the farm have always been ready to assist me in my duties and much interest has been added to the Sabbath services by the singing which they have usually provided.

In conclusion, permit me to tender thanks to them and to the commissioners for courtesy and assistance.

REPORT OF THE COUNTY COMMISSIONERS.

To the Citizens of Merrimack County :

The Commissioners of Merrimack County herewith present the annual report of county commissioners, treasurer, superintendent of the farm and house of correction, clerk of the Superior Court, sheriff, jailer, solicitor, farm physician, chaplain and auditors for the year ending December 31, 1906.

COUNTY FARM

The County Farm and House of Correction, located at North Boscawen, has continued under the same management as for the past three years. While the duties devolving upon a Superintendent and Matron of an institution of this kind are not always pleasant or easy, we feel that Mr. and Mrs. W. H. Milton have filled their positions in a manner most creditable to themselves and to the general satisfaction of all concerned. The buildings are all in good repair. It has been necessary to build a new woodshed to replace the old one which was blown down by a heavy wind which visited this section of the county September 3, 1906. New tubes have been placed in the boilers, the horse barn has been remodeled inside, making it much more convenient than under the old arrangement. A considerable amount of painting has also been done about the buildings as needed. For an accurate account of produce raised on the farm we would refer you to the report of the superintendent.

We would respectfully recommend to the County Delegation for their consideration the advisability of constructing an isolation hospital and a chapel as recommended by the farm physician and chaplain in their respective reports.

EXPENSE OF MAINTENANCE.

Amount of orders drawn against the farm for the year 1906, was		$20,345.12
Decrease in inventory,		318.52
		$20,663.64
Deduct from this amount the amount sold from farm,	$4,461.87	
Amount due the farm,	1,140.63	
New buildings,	409.51	
		6,012.01
Balance against the farm,		$14,651.63
Number of weeks board furnished inmates and prisoners during the year,		7,199
Average cost of support per week,		$2.03

COUNTY POOR AWAY FROM FARM.

The question of just how to best care for this class of unfortunates is often a very perplexing one. In most cases where help is furnished, it is to families with a number of children, which eliminates the possibility of caring for them at the county farm. While it is always our desire to keep the expenses of the county down to a reasonable amount we do not intend that the worthy poor shall suffer for the necessities of life. The expense of caring for this class of poor, including the amount furnished dependent soldiers and their families, was a trifle less than last year, as will be seen by the itemized report.

COURT HOUSE.

The work of remodeling the Court House is practically completed. The total amount appropriated for this work was $45,000 and the same will be done well within the appropriation. Modern steel fixtures for the several vaults have been provided, thus making them as near fireproof as is possible. When entirely completed, we think Merrimack County will have a Court House that will supply the needs of the county for years to come and compare favorably with any in the state. An itemized account of the expenditures made during the year is shown on another page.

JAIL.

The county jail still continues under the direct charge of Geo. A. S. Kimball, Sheriff, and we think we are safe in saying that his management of affairs here meets with the approval of the citizens of the county generally. No special repairs have been necessary during the year, but we think that some permanent improvements should be made in the near future. This matter will be brought to the attention of the County Delegation.

As will be seen by the financial report the county debt has been reduced $4,235.70 during the year. Considering the fact that the sum of $23,562.62 has been expended upon the court house, for which no special appropriation has been made by taxation, the result is very gratifying to the commissioners and we trust will be pleasing to the taxpayers of the county.

In submitting our second annual report we desire to express our appreciation and thanks to the overseers of the poor in the various cities and towns of the county, the State

Board of Charities and Corrections, the several charity organizations, and all the officers and citizens of the county who have so kindly aided us in the performance of our duty.

Respectfully submitted,

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
Commissioners of Merrimack County.

SOLICITOR'S REPORT.

To the Commissioners for the County of Merrimack :

GENTLEMEN:

Herewith I submit report of the office of county solicitor for the year ending December 31, 1906.

The grand jury in April, returned forty-four indictments, as follows :

Abusing female child under sixteen,	3
Adultery,	2
Aggravated assault,	1
Arson,	5
Breaking and entering.	2
Embezzlement,	7
Incest,	1
Larceny,	5
Purchasing stolen property,	1
Selling morgaged property,	1
Violation of liquor law by non-licensees,	13
Violation of liquor law by licensees,	1
Violation of city ordinance of Concord,	2

The grand jury in October, returned twenty-six indictments as follows :

Adultery,	5
Aggravated assault,	2
Arson,	1
Breaking and entering,	6

Forgery,	1
Larceny,	8
Obstructing railroad track,	1
Violation of liquor law by non-licensees,	2

Information has been filed by the solicitor during the year as follows :

Over-driving,	1
Selling mortgaged property,	1
Violation of liquor law by non-licensee and injunction obtained,	1

There have been five appeal cases from the police courts and justices of the peace.

Ten cases have been tried by the jury, which resulted as follows :

Not guilty,	3
Not guilty by reason of insanity,	1
Not guilty,	6

State *v.* Albert L. Healey, incest, was tried by the jury twice. At the first trial the jury disagreed, and at the second trial the verdict was "not guilty."

State *v.* Fred Carroll, obstructing railroad track, the jury returned a verdict of "not guilty by reason of insanity", and the respondent was committed to the School for Feeble Minded.

During the year four persons have been sentenced and committed to the state prison.

Thirteen have been sentenced and committed to either the jail or the house of correction.

One has been sentenced and committed to the industrial school.

Two respondents have been committed to the state hospital for observation, to determine the question of insanity.

Charles E. Pierce, who was indicted for arson, was sentenced to the state prison for not less than ten years or more than twelve years, this being the longest term imposed.

There ar now remaining on the docket five appeal cases for the police courts and justices of the peace, and three indictments which have been continued for cause.

The remaining cases have been disposed of by either payment of fines, sentences suspended during good behavior or nol prossed, as the circumstances in each case seemed to warrant.

During the year there have been many investigations made in criminal matters, the most heinous and horrifying being the Ayers tradegy at Pembroke. Many complaints for violation of the liquor law have been received and investigated by the solicitor or officers furnished by the sheriff, and in most instances evidence has been found sufficient to convict the respondents.

Much of the success in the solicitor's department depends on the assistance received from the sheriff and his deputies, and the police officers of the cities and towns, and I sincerely appreciate the services rendered by these officials during the past year, and the uniform courtesies extended to me by all with whom I have officially come in contact.

Especially am I indebted to that faithful public servant who for more than fifty years has been of inestimable value to this county, James E. Rand, City Marshal of Concord.

Respectfully submitted,

THOMAS F. CLIFFORD,

County Solicitor.

REPORT OF PHYSICIAN.

To the Merrimack County Commissioners:

GENTLEMEN,—During February and March, pneumonia was prevalent. Intestinal disorder were frequent during the months of October and November. Analysis of the drinking water was negative and the sewers seem to be in good condition.

The sputa from all cases suspected of being tubercular has been examined, and all positive cases have been isolated.

To properly care for these patients, two small wards, (one for males and one for females) easy of access to the general wards, are needed.

I thank you, gentlemen, for your courtesy, the superintendent and matron for their hearty cooperation, and the nurses for their faithful service.

Respectfully,

E. T. DRAKE, M. D.

GENTLEMEN:

In submitting my report as chaplain of the county farm, I take the liberty to call your attention to the unsuitable conditions of the place provided for religious services. The location is unfortunate as many of the inmates, who, with a little assistance might receive the benefit of the services, if the chapel was on a level with their living rooms, are unable to go to the basement. The room itself is not suitable for this purpose or in harmony with the other appointments of the home. I, with other citizens of the county, take a reasonable pride in the comfort and conveniences of the home provided for our poor and unfortunate people, in the generous provisions for their wants and the constant kindness of those who care for them. But this room provided for religious services does not correspond in convenience and comfort with other appointments of the institution. A modest but convenient chapel, which might be erected at moderate expense, would, in my opinion, be a benefit to the inmates, a satisfaction to the management and be approved by the people of the county.

In making this, my fourth annual report, I wish to thank the commissioners for their courtesy, the superintendent, matron and officers for their kindness and assistance, and to express to the people of Merrimack county my appreciation of the kindness constantly shown to the inmates of this

institution. A Sunday school has recently been organized by the officers of the farm and under the direction of Mr. A. H. Nelson is a source of interest and benefit to the inmates.

During the year 1906 I have conducted twenty-two Sabbath services, eighteen funeral services and made such pastoral visits as seemed to be required, always seeking to make my services as chaplain encouraging to the unfortunate and comforting to the sick and suffering.

L. W. PHILLIPS,

Chaplain.

COUNTY DELEGATION.

CONCORD, N. H., January 9, 1907.

In accordance to a notice given out from the Speaker, the Merrimack County delegation met in Room 5, of the state house, on the above date, for organization. The convention was called to order by Mr. Ahern of Concord. On motion of Mr. Hollis of Concord, Mr. George H. Rolfe of Ward 5, Concord, was elected chairman of the convention and assumed the chair. On motion of Mr. Ahern of Concord, Mr. George F. Garneau of Ward 2, Franklin, was elected clerk. Mr. Garneau appeared before Mr. Baker of Bow and qualified. On motion of Mr. Ahern of Concord, it was voted that a committee of five be appointed by the chair to confer with the county commissioners, in regard to appropriations required, and report at the next meeting. The chair appointed Ahern of Concord, Thompson of Pembroke, Folsom of Henniker, Fowler of Hill, and Rice of Hopkinton, as such committee. Voted to adjourn subject to call of chairman.

GEORGE F. GARNEAU, *Clerk.*

North Boscawen, N. H., February 1, 1907.

Upon invitation of the county commissioners, the delegation visited the farm on the above date, with a large number of the delegation and county officers present. After a profitable visit over the buildings, finding everything in a most satisfactory condition, and reflecting great credit on the commissioners and Superintendent Milton, the delegation was called to order by the chairman in the chapel. Commissioner Britton was called upon, and gave a very concise report on the conditions at the institution, and what, in the commissioner's opinion was needed. He was followed by Dr. Drake of Franklin, the county physician, also Dr. Day of Ward 6, Concord, the chaplain, Rev. L. W. Phillips, of Franklin, County Solicitor Clifford, and others. It developed from the speakers that the county was in great need of a chapel and hospital.

Mr. Baker of Bow called for a statement from the commissioners as to the financial condition of the county, which was furnished by Commissioner Morse of Pembroke.

Mr. Ahern of Concord gave an interesting talk on his experience with the county affairs, and was followed by Folsom of Henniker, Raymond of Boscawen, and others.

Mr. Ahern, for the committee of five to confer with the commissioners, reported the following estimate:

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
County Commissioners.

Upon motion of Mr. Ahern of Concord, the commissioners were authorized to procure plans and estimates for a new chapel and hospital, and report at the next meeting of the delegation. So voted.

It was voted, on motion of Mr. Folsom of Henniker, that the delegation adjourn subject to call of the chairman.

A bountiful dinner was provided the delegation, county officials and invited guests, by Superintendent and Mrs. Milton.

GEORGE F. GARNEAU, *Clerk.*

CONCORD, N. H., February 27, 1907.

The delegation met at the probate room at the court house on above date. Meeting called to order by Chairman Rolfe, and roll-call by the clerk showed thirty-two of the delegation present. The chairman introduced Mayor C. R. Corning of Concord, who gave a most instructive and interesting talk as to the past and present relations between the county and the city of Concord, and more particularly as regards using the new court house as a voting place for Ward 4. According to the trade between the county and the city of Concord, the county agreed to furnish Ward 4 with a voting place in the building. Mayor Corning hoped that some arrangement could be made, whereby the county could, for a consideration, induce the city to give up the use of the court house as a voting place and suggested that a committee appointed by the chairman meet a like committee appointed by the mayor, and confer relative to this matter. Mr. Folsom of Henniker and others spoke on the subject at length. Upon motion of Mr. Folsom of Henniker, it was voted that a committee of five be appointed by the chair to confer with a like committee appointed by the Mayor, and report to the delegation at the next meeting, and that Mr. Baker of Bow be made a member of that committee and act as chairman. Mr. Folsom of Henniker moved that the delegation endorse the bill to increase the salary of the county solicitor. So voted.

Moved to adjourn by Mr. Ahern of Concord, subject to call of chairman.

GEORGE F. GARNEAU, *Clerk.*

CONCORD, N. H., April 4, 1907.

The delegation was called to order by the chairman on above date in the Hall of Representatives. It was moved that the report of the Committee on Appropriations be accepted, and it was moved and voted that the sum of $94,000 be appropriated for the year 1908. It was moved and voted that the sum of $94,000 be appropriated for the year 1909.

Mr. Baker, chairman of the committee appointed at last meeting to confer with a like committee from the city, reported that they had had a joint meeting, and Mr. Baker, acting for the committee, offered the city $1,000 for all rights the city had in the court house as a voting place.

On motion of Mr. Folsom of Henniker, it was voted that the report of the committee be accepted and that Mr. Baker be authorized to make the offer to the city.

Mr. Fisher of Pittsfield moved, and it was so voted, that the county commissioners be authorized to expend a sum not to exceed $4,500 to erect a chapel at the county farm at North Boscawen.

Moved and voted to adjourn, subject to call of chairman.

GEORGE F. GARNEAU, *Clerk.*

REPORT

OF THE

COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1907.

COUNTY FARM.

The County Farm and House of Correction still continue in charge of Mr. and Mrs. W. H. Milton, as Superintendent and Matron, who have faithfully served the county in this capacity for nearly five years. Much credit should be given them for the satisfactory condition of affairs here at the present time. The buildings are all in good repair and the farm in a high state of cultivation. Besides the ordinary repairs, several permanent improvements have been made during the year, including the construction of a vegetable cellar and the changing of the heating system in the asylum building, which not only makes the building more comfortable for the inmates but

also insures a saving in fuel. The herd of cattle, mostly Holsteins, has been greatly improved during the year. At the last session of the legislature the Merrimack County Delegation voted to construct a new building to be used as a chapel. It is expected that work upon this building will be begun in the early spring. We would call your attention to the report of the Superintendent for an account of produce raised at the farm, as well as other statistics.

EXPENSE OF MAINTENANCE.

Amount of orders drawn against the farm for the year 1907,		$20,284.07
Decrease in inventory,		242.96
		$20,527.03
Deduct from this amount the amount sold from farm,	$5,209.16	
Amount due from farm,	1,291.85	
		6,501.01
Balance against the farm,		$14,026.02
Number of weeks' board furnished inmates and prisoners during the year,		6,766
Average cost of support per week,		$2.07

COUNTY POOR AWAY FROM FARM.

To properly care for the poor and unfortunate is, and always has been, a subject that requires much time and study. It is always our desire to have each application for aid carefully investigated and disposed of as the cir-

cumstances seem to justify. We certainly do not intend to have any ward of the county suffer for the necessities of life. The expense of this department has been considerably less than last year. A part of this saving to the county is due to the fact that the state has assumed the expense of caring for many of the indigent insane at the State Hospital, who, prior to April 1, 1907, were supported by the county.

COURT HOUSE.

At the 1905 session of the legislature the County Delegation appropriated the sum of $45,000 for remodeling and refurnishing the County Court House. The work has been completed for the sum of $43,225.75, which has all been paid without the issuing of bonds or notes.

JAIL.

The County Jail continues under the efficient management of George A. S. Kimball, sheriff. It has been necessary to make some repairs upon the buildings during the year, also to construct a new sewer. The buildings are at present in good repair.

As will be seen by the financial statement, the finances of the county are in excellent condition. The county debt has been reduced during the year $9,652.65. During the past three years there has been a total reduction of $31,621.39.

In presenting this, our third annual report, we take the opportunity to extend our thanks to all the various socie-

ties, officers and individuals who, by word or deed, have assisted us in our work.

Respectfully submitted,

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
Commissioners of Merrimack County.

Respectfully submitted,

PHILIP C. CLOUGH,

County Treasurer.

December 31, 1907.

We have examined the foregoing accounts of Philip C. Clough, county treasurer, and find them correctly cast and properly vouched.

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
County Commissioners.

AUDITORS' REPORT.

We hereby certify that we have audited quarterly the accounts of the county commissioners, county treasurer and superintendent of the county farm, from January 1, 1907, to January 1, 1908, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices, and have been used for county purposes.

W. J. AHERN,
F. A. HOLMES,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1908, to the best of our knowledge and belief does not exceed five hundred dollars, aside from the amount due cities and towns for support of paupers away from the farm, for the support of dependent soldiers and sailors and their families, and for salaries of county officers for last quarter.

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
Commissioners of Merrimack County.

MERRIMACK, SS., January 14, 1908.

Personally appeared before me Charles P. Morse, Arthur H. Britton and John F. Jewell, and made oath that the above statement is true.

Before me,

FRED H. GOULD,

Justice of the Peace.

SOLICITOR'S REPORT.

To the County Commissioners for the County of Merrimack:

GENTLEMEN,—The report of the office of county solicitor for the year ending December 31, 1907, is herewith submitted.

The grand jury at the April term, returned thirty-three indictments, as follows:

Adultery,	4
Attempt to break and enter,	1
Bigamy,	1
Burglary,	2
Larceny,	4
Obstructing railroad track,	1
Obtaining money by false pretenses,	2
Perjury,	1
Rape,	1
Tramp,	1
Violation of liquor laws by non-licensees,	6
Wilful taking of horse,	2
Wilful taking of wagon,	1

The grand jury at the October term, returned thirty-eight indictments, as follows:

Adultery,	4
Arson,	2
Aggravated assault,	1
Assault with intent to murder,	1

Assault with intent to rob,	1
Breaking and entering,	5
Carrying concealed weapon,	1
Concealing death of bastard,	1
Embezzlement,	1
Keeping house of ill-fame,	2
Larceny,	1
Larceny from the person,	1
Manslaughter, second degree,	1
Receiving stolen goods,	1
Sodomy,	1
Violation of liquor laws by non-licensees,	14

Information has been filed by the solicitor in two cases for violation of the liquor laws, and injunctions granted.

There have been the usual number of appeal cases from the police courts and justices of the peace.

Nine cases have been tried by the jury, which resulted as follows:

Acquittals,	5
Convictions,	4

During the year eight persons have been committed to the state prison.

Eleven have been sentenced and committed to either the jail or house of correction.

One has been sentenced and committed to the industrial school.

Two respondents have been committed to the state hospital for observation, to determine the question of insanity.

Joseph Hobart, who was indicted for burglary, was sentenced to the state prison for not less than twelve years or

more than fifteen years, this being the longest term imposed.

The remaining cases have been disposed of by payment of fines, sentences suspended during good behavior, nol prossed or continued for cause, as the circumstances in each seemed to require.

The practice before the police courts and justices of the peace, in allowing state witnesses to give personal recognizance, when they have no property or family ties to assure their presence in court, has resulted in two liquor cases being nol prossed.

If such witnesses were required to furnish bail of a substantial nature, the ends of justice would be met, and no hardship would be imposed upon the witnesses.

In order that criminal cases coming before the grand jury may have proper investigation, I would suggest, that copies of complaint, lists of witnesses and their post-office addresses, be forwarded to the solicitor immediately after the preliminary hearing, instead of being filed with him only a few days before court sits, as is now the practice.

The county has been fortunate in escaping a trial for murder, the assailant having taken the law into his own hands without resorting to the courts.

To those who have rendered assistance to the solicitor's department, I desire to express my appreciation.

Respectfully submitted,

THOMAS F. CLIFFORD,
County Solicitor.

NOTE.—In the report for 1906, page 450, line 17 should read, "Guilty, 6" instead of "Not Guilty, 6."

REPORT OF CHAPLAIN.

FRANKLIN, N. H., January 1, 1908.

To the Commissioners for the County of Merrimack:

GENTLEMEN,—In submitting my fifth annual report as chaplain of the county farm, I wish to thank you for the courtesy you have always extended to me and to gratefully acknowledge the interest shown in my work there and the assistance which has been given me by the superintendent, matron and officers of the farm.

I have conducted twenty-one Sabbath services, fourteen funeral services and visited the inmates as occasion has permitted or necessity required. I have tried to make my personal visits an encouragement and the religious services a comfort to the inmates.

REPORT

OF THE

COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1908.

COUNTY FARM.

The County Farm and House of Correction still continue under the management of Mr. and Mrs. W. H. Milton, as Superintendent and Matron, who have served the county in this capacity for nearly six years. The buildings are in full better repair than at our last report, several having been shingled and roofs painted. Many other improvements have been made, including new steam pipe from boiler-house to almshouse, new plumbing fixtures in basement of almshouse. Many trees have been set out and new walks made which add much to the general appearance of the place. A foundation for a new chapel, which was authorized by the last legislature, has been put in

with practically no expense to the county. We would call your attention to the report of the superintendent for account of produce raised on the farm, as well as other statistics.

EXPENSE OF MAINTENANCE.

Amount of orders drawn against the farm for the year 1908,		$26,505.79

COUNTY POOR AWAY FROM THE FARM.

The expense in this department shows a very slight increase over last year, which, considering the general industrial conditions, seems to be a very satisfactory showing.

The finances of the county are in an excellent condition as shown by the following statement:

As shown by the above statement the county debt has been reduced during the year $12,705.06 and during the past four years a net reduction of $44,326.45. We trust that this condition of affairs will meet with the approval of the tax-payers and citizens of the county. Respectfully submitted,

PHILIP C. CLOUGH,
County Treasurer.

We have examined the foregoing accounts of Philip C. Clough, treasurer of the County of Merrimack, and find them correctly cast and properly vouched.

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
County Commissioners.

December 31, 1908.

AUDITORS' REPORT.

We hereby certify that we have audited quarterly the accounts of the county commissioners, county treasurer and superintendent of the county farm, from January 1, 1908, to January 1, 1909, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices, and have been used for county purposes.

W. J. AHERN,
F. A. HOLMES,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1909, to the best of our knowledge and belief does not exceed five hundred dollars, aside from the amount due cities and towns for support of paupers away from the farm, for the support of dependent soldiers and sailors and their families, and for salaries of county officers for last quarter.

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
Commissioners of Merrimack County.

MERRIMACK, SS., January 15, 1909.

Personally appeared before me Charles P. Morse, Arthur H. Britton and John F. Jewell, and made oath that the above statement is true.

Before me,

JOHN P. NUTTER,

Justice of the Peace.

SOLICITOR'S REPORT.

To the County Commissioners for the County of Merrimack:

GENTLEMEN,—The report of the office of county solicitor for the year ending December 31, 1908, is herewith submitted.

The grand jury, at the April term, returned twenty-seven indictments, as follows:

Adultery,	2
Assault, with intent to commit rape,	2
Breaking and entering,	6
Counterfeiting,	1
Embezzlement,	1
Larceny,	7
Obtaining money by false pretenses,	1
Rape,	1
Violation of liquor laws,	6

The grand jury at the October term, returned twenty-one indictments, as follows:

Adultery,	2
Aggravated assault,	1
Breaking and entering,	5
Burglary,	2
Embezzlement,	1
Forgery,	1
Larceny,	5
Obtaining money by false pretenses,	1
Rape,	1
Violation of liquor laws,	2

Informations have been filed by the solicitor and injunctions granted in a number of cases under the nuisance act.

Appeal cases from the police courts have been of the usual number.

Five indictments have been tried by the jury during the year.

During the year eight persons have been committed to the state prison.

Fourteen have been committed to either the jail or house of correction.

Two have been committed to the industrial school.

One respondent has been committed to the state hospital for observation, to determine the question of insanity.

Louis Morneau, who was indicted for rape, was sentenced to the state prison for not less than twelve years or more than fifteen years, this being the longest term imposed.

The remaining cases have been disposed of by payment of fines, sentences suspended during good behavior, nol prossed or continued for cause, and a few boys have been placed under the charge of the probation officer.

The suggestions made in my former report that copies of complaints, lists of witnesses and their post-office addresses be forwarded to the solicitor immediately after the preliminary hearing is renewed, with the hope that same will be complied with in the future, as an opportunity to make an investigation at the time an alleged offense is committed is most important, in order to secure all the facts possible.

Respectfully submitted,

THOMAS F. CLIFFORD,

Solicitor.

REPORT OF CHAPLAIN.

FRANKLIN, N. H., January 1, 1909.

To the Commissioners of Merrimack County:

GENTLEMEN,—I herewith submit the following report of my services as chaplain of the county farm for the year 1908.

I have visited the inmates occasionally as pastor, and sought to encourage or comfort them, as their condition required. Some of them receive spiritual consolation gratefully, and all have given me respectful attention and received my ministry kindly.

I have conducted twenty-three Sunday services and eleven funeral services during the year. The same encouragement and assistance in my work there which has been given me in former years has been kindly continued by the officers of the farm.

As pastor of the institution and as a citizen of the county, I appreciate the sympathy shown to these unfortunate people, the good care given and the comfort provided for them.

Respectfully submitted,

LEWIS W. PHILLIPS,

Chaplain.

The Convention was called to order by Mr. Rolfe of Concord.

On motion, Mr. Arthur Boutwell of Hopkinton was elected Chairman of the Convention and assumed the chair.

On motion, Mr. Charles L. Mason of Concord was elected Clerk and took the oath of office in the usual form before Mr. Allen Hollis, Notary Public.

On motion of Mr. Ahern it was

On motion of Mr. Rolfe the convention adjourned subject to the call of the Chairman.

A true copy, ATTEST:

CHARLES L. MASON,

North Boscawen, N. H., Feb. 1, 1909.

Agreeable to arrangements made by the Chairman, the Merrimack County Convention, together with the Commissioners and other invited guests, visited the farm at North Boscawen, February 1.

The delegation made a thorough inspection of the several buildings, etc., and found things in general good order.

The convention was called to order by the Chairman at 11.15 a. m. There were thirty-four members present.

Mr. Rolfe of Concord, for the committee of five appointed to confer with the County Commissioners, submitted the following:

Estimate of Expenses of Merrimack County for the Years, 1910–11.

Respectfully submitted,

Mr. Ahern of Concord called the attention of the convention to the fact that the total estimate required was $5,000 less than the amounts appropriated for the years 1908 and 1909, and voiced the sentiments of the delegation in his remarks commending the Commissioners for the faithful and effecient manner in which they had performed their duties. On motion of Mr. Marden of Concord, seconded by Mr. Durgin of Andover, it was

On motion of Mr. Ahern of Concord, seconded by Mr. Davis of Warner, it was

Mr. Rolfe further reported for the committee that the new chapel for which the Commissioners were authorized to expend $4,500 by the previous convention, had not been erected, but that the foundation had been put in place, the work being done by prisoners.

The necessity for hospital facilities was thoroughly discussed. Mr. R. P. Gardner of the Orphans' Home spoke as a citizen of Merrimack County in favor of the chapel and hospital ward, and the Rev. L. W. Phillips, chaplain of the farm, also explained the needs. After further discussion, on motion of Mr. Rolfe of Concord, seconded by Mr. Durgin of Andover, it was

VOTED: To authorize the Commissioners to expend a sum not exceeding $3,000 in addition to the $4,500 which had already been authorized, for the purpose of building a chapel and ward for hospital purposes.

On motion of Mr. Ahern of Concord, it was voted to adjourn subject to the call of the Chairman.

REPORT

OF THE

COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1909.

COUNTY FARM.

The County Farm and House of Correction is in charge of Mr. and Mrs. Fred G. Evans, as Superintendent and Matron, who were appointed to fill the vacancy caused by the resignation of former Superintendent and Matron, Mr. and Mrs. W. H. Milton, which was tendered to the Commissioners early in the year to take effect March 1. At the last session of the legislature the Merrimack County delegation authorized the expenditure of a sum not exceeding $7,500.00 for the erection of a new building to be used for chapel and hospital purposes. In accordance with this, plans and specifications were procured and proposals for the erection of the building were call for. Four proposals for the construction of the building were received, the lowest being the Hutchinson Building Co., to whom the contract was awarded

for the sum of $6,133.00. The lowest bidder for the heating was The Kidder Machine Co., to whom the contract was awarded for the sum of $380.00. The lowest bid received for the plumbing was from Lee Brothers Co., who were awarded the contract for $188.50. C. W. Dadmun was the lowest bidder for the lighting at $93.77. The building has been completed at a total cost of $6,861.00, which is $639.00 less than the appropriation. This amount has all been paid for out of the regular appropriation for county expenses, no extra taxation being necessary. The chapel was dedicated with appropriate exercises early in October under the direction of Rev. Lewis W. Phillips, the farm chaplain. The usual amount of repairs and improvements about the various buildings have been made during the year. Among them, being a considerable amount of painting, both inside and out, the complete renovation of the building used for consumptive patients, including new plumbing, floors, painting, etc. The large unsightly ledge in the field south of the main buildings and near the highway has been removed by the use of dynamite, which not only improves the appearance of the farm but renders considerable more land suitable for cultivation. These and many other improvements and repairs have been done almost wholly by the House of Correction prisoners under the direction of the superintendent and farm foreman. The stock at the farm has been gradually improved and the products have been remarkably good considering the dry season; for an accurate account of which we would refer you to the report of the Superintendent on another page.

EXPENSE OF MAINTENANCE.

Amount of orders drawn against the farm for the year 1909,		$21,251.22
Decrease in inventory,		1,660.10
		$22,911.32

Number of weeks' board furnished inmates and prisoner during the year, 7,215 weeks, 2 days		
Average cost per week,		$2.18

VALUATION OF PERSONAL PROPERTY AT FARM.

Live stock,	$4,114.50
Fuel on hand,	948.00
Tools and farm implements,	1,822.60
Produce,	3,790,25
Grain and fertilizer,	210.05
Groceries and provisions,	653.50
Furniture, bedding, dry goods and clothing,	6,413.90
Laundry machinery and fixtures,	950.00
Drugs and medicines,	352.25
Fire hose, extinguishers and nozzles,	940.00
Miscellaneous,	266.90
	$20,461.95

COUNTY POOR AWAY FROM FARM.

Under this head are included the county poor who are aided in their homes rather than at the farm and in most cases are people who have children to support. To

properly care for this class requires much time and attention and results are not always entirely satisfactory even then. Each application must be carefully investigated and disposed of as circumstances seem to warrant. The expense in this department during the year has been considerably less than for several years past.

Jail.

The county jail is in charge of Sheriff Chas. P. Smith, who succeeded Sheriff Kimball, July 1, 1909.

A considerable amount of repairs to the buildings has been necessary during the year. The buildings have been painted inside and out, most of the work being done by prisoners, thus saving a considerable sum to the county. The buildings at the jail are in a very good condition at the present time.

FINANCES OF THE COUNTY.

The following statement shows the finances of the county to be in a very satisfactory condition.

December 31, 1909.		
Total debt,		$50,000.00
Cash in hands of Treasurer,		36,646.32
		$13,353.68
Net debt January 1, 1909,	$35,724.11	
Net debt January 1, 1910,	13,353.68	
Decrease in debt during the year,		$22,370.43

Valuation of almshouse, court house and jail,	$195,761.00
Valuation of personal property at almshouse,	20,461.95
Valuation of personal property at court house,	4,473.15
Valuation of personal property at jail,	446.00

Increase in valuation during the year, $4,875.61

As will be seen by the above statement the county debt has been reduced during the year $22,370.43 and during the past five years a reduction of $66,696.88 has been made. Considering the fact that during this period the valuation of the county property has been increased nearly $50,000—without increasing the county tax, together with the fact that the county tax rate for 1910 is to be the lowest for many years, we trust that this condition of affairs will find approval with the taxpayers and citizens of the county.

In conclusion, we take this opportunity to extend our thanks to all our citizens who have shown an interest in the institution at No. Boscawen, and have remembered its inmates at Christmas and other times. We extend a cordial invitation to all interested citizens to visit the institution, that they may better know of the work being done there.

Respectfully submitted,

Arthur H. Britton,
John F. Jewell,
Herbert W. Dustin,
County Commissioners.

We have examined the foregoing accounts of Frederick A. Holmes, treasurer of the county of Merrimack, and find them correctly cast and properly vouched.

ARTHUR H. BRITTON,
JOHN F. JEWELL,
HERBERT W. DUSTIN,
County Commissioners.

December 31, 1909.

AUDITORS' REPORT.

We hereby certify that we have audited the accounts of the county commissioners, county treasurer and superintendent of the county farm, of Merrimack County, from January 1, 1909, to January 1, 1910, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices, and have been used for county purposes.

W. J. Ahern,
F. E. Webster,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1910, to the best of our knowledge and belief does not exceed five hundred dollars, aside from the amount due cities and towns for support of paupers away from the farm, for the support of soldiers and sailors and their families, and for salaries of county officers for last quarter.

Arthur H. Britton,
John F. Jewell,
Herbert W. Dustin,
Commissioners of Merrimack County.

Merrimack, ss., January 11, 1910.

Personally appeared Arthur H. Britton, John F. Jewell, and Herbert W. Dustin, and made oath to the above statement.

SOLICITOR'S REPORT.

To the County Commissioners for the County of Merrimack:

GENTLEMEN:—The report of the office of county solicitor for the year ending December 31, 1909, is herewith submitted.

The grand jury at the April term, returned nine indictments against eleven respondents, as follows:

Aggravated assault,	1
Assault with intent to kill and slay, (Laporto & Morano),	1
Larceny,	2
Lottery,	1
Violation of liquor laws, no-license territory,	3
Violation of first class license, (Lockwood & Vigno),	1

The grand jury at the October term, returned thirty-one indictments, against twenty-four respondents, as follows:

Adultery,	4
Aggravated assault,	2
Breaking and entering,	7
Disorderly house,	2
Forgery,	7
Larceny,	1
Obtaining money by false pretenses,	1
Violation of drug laws,	1
Violation of liquor laws, no-license territory,	5
Violation of first class license,	1

During the year seven respondents have been tried by the jury, which found verdicts of guilty as to five, and verdicts of not guilty as to two.

Five respondents have during the year been committed to the state prison.

Three respondents have been committed to the jail, and two minors placed in charge of probation officer.

One respondent indicted for violation of first class license has not as yet been apprehended, and one indicted for forgery is in the custody of the officers of Strafford County awaiting trial.

The remaining cases have been disposed of by payments of fines, sentences suspended during good behavior, continued for cause or *nol prossed* as circumstances in each case seemed to require.

On November 23, Charles H. Fellows of Bow, was murdered while on his way home from his place of business in Concord, and every effort has been made to apprehend the offender of this atrocious crime but without success.

In the work of investigating this case, I desire to express my appreciation for the willing and valuable assistance rendered by Marshall Kimball and Deputy Rowe of the Concord police department, and it is especially noteworthy considering that the crime was committed outside their jurisdiction.

Thomas F. Clifford,
County Solicitor.

REPORT OF CHAPLAIN.

FRANKLIN, N. H., December 31, 1909.

To the Commissioners of Merrimack County:

GENTLEMEN:—In making this my eighth annual report as chaplain of the county farm, I wish to express for myself, and for the officers and inmates of the institution our grateful appreciation of the convenience and comfort of the new place of worship which during the past year has been provided for our use. In its arrangement and appointments it is perfectly adapted to our needs and adds a great deal to the pleasure and profit of our seasons of worship. It must be a source of satisfaction to the people of Merrimack County that a chapel so well fitted for our use has been provided.

I have rendered the usual service of a pastor throughout the year and tried to make my ministry encouraging and helpful. I have conducted twenty Sunday services during the year and four services for the burial of the dead.

I wish to renew the assurance which I have always been enabled to give, of my gratitude to the County Commissioners, and to the officers of the farm for kind consideration and assistance.

Respectfully submitted,

LEWIS W. PHILLIPS,

Chaplain.
